ENVIRONMENTAL POLICY STATEMENT

Merthyr (South Wales) Ltd recognises that care for the environment is a primary corporate responsibility. Our commitment to the protection of the environment is outlined as follows:

OBJECTIVES

To identify and manage the effect that our business operations have on the environment in a professional and appropriate manner

To protect the environment

To strive for continuous improvement in our environmental performance

POLICY

In order to achieve these objectives, Merthyr (South Wales) Ltd will:

- Develop, implement and maintain an Environmental Management System that is appropriate to our operations, in accordance with the requirements of BS EN ISO 14001
- Maintain UKAS Accredited Certification to BS EN ISO 14001
- Set targets and use plans to monitor the achievement of defined environmental objectives
- Implement procedures detailing environmental practices to take account of our compliance obligations including legislation, regulations and any other criteria that we have formally adopted
- Take steps to minimise waste, prevent pollution, and pursue good practice in resource management, in conjunction with those organisations that work with us
- Continually improve the environmental management system to enhance environmental performance
- Ensure that environmental considerations form part of each employee's responsibilities
- Provide appropriate environmental communication, education and training

Lyndon Jones, Director
